Notes: The remaining portion of the state tax remains with the county in which it was collected. Douglas County includes the South Shore hotel-casino area at Lake Tahoe. North Shore statistics are included under Washoe County. Tax collections may contain preliminary figures and may include receipts recorded in a different month from when they were collected. For example, room tax collections from the Business License Division in Clark County for June 2025 were placed in July 2025 revenue due to the revenue being received after the closing of the fiscal year, resulting in elevated collections in July 2025.
