

Dear TravelNV,

I am writing on behalf of Eureka Outdoor & Tires to express our full support for Eureka Main Street and its mission to preserve the beauty and historical integrity of our beloved town. The initiatives led by Eureka Main Street have been instrumental in maintaining the charm and uniqueness that define Eureka, and we deeply appreciate the organization's continued efforts to enhance our community.

As a business owner in the heart of Eureka, I understand the importance of balancing progress with preservation. Eureka Outdoor & Tires is committed to supporting the goals of Eureka Main Street, particularly with the 3D project, which stands to provide incredible benefits to both local businesses and residents. For small businesses like ours, these projects are critical in driving growth while maintaining the charm that makes Eureka so special.

We look forward to continuing to work alongside Eureka Main Street as you lead the way in preserving and promoting our town's rich history. Thank you and please don't hesitate to reach out if there are any additional ways we can contribute to the success of your efforts.

Sincerely,

Antonio Tognoni, President & Veronica Tognoni, Secretary
